

CUTTING EQUIPMENT

MODEL ST21"

Cutting Torch

The model ST21" is a medium duty straight cutting torch designed for use with all fuel gases. It features stainless steel cutting lever, ease-on cutting valve and triangular tube design.

FEATURES:

- Cuts up to 200 mm
- For acetylene and other fuel gases
- Head mixing and equal pressure design for maximum operator safety
- 90o brass head
- Triangular tube design
- High Silver brazed tube connections
- Safety devices – check valves included
- Use with 1-101-HV and GPN tips
