

Wrecking Bar

- heavy duty finish
- forged steel and hardened
- with claw and splitter
- wide footprint - no lateral adjustment
- oval profile

Item #	Description
52104	Wrecking Bar 400 x 22 x 12 mm
52106	Wrecking Bar 600 x 30 x 17 mm
52109	Wrecking Bar 910 x 30 x 17 mm

Borescope with TFT Colour Monitor

- colour display 6.7 cm
- visibility depth > 30 mm
- CMOS colour sensor
- camera head Ø 8.0 mm +/- 0.1 mm
- LED lights
- gooseneck 880 mm +/- 2 mm, Ø 6.5 mm
- battery type: 4 AA | 1.5 V
- operating temperature: 0 - 45°C
- storage temperature: -10 - 50°C
- min. bending radius: 45 mm
- camera angle: 54°
- white balance: automatic
- relative humidity storage: 15 - 85%
- relative humidity use: 15 - 85%
- camera resolution: 640 x 480 pixels
- number of LEDs: 4
- display resolution: 960 x 240 pixels
- weight approx.: 315 g

Item #
63215

Oil Suction Pump | 12 V

- max. flow rate for engine oil approx. 0,2 l /min. (at 40 °C oil temperature)
- ideal equipment for quick and clean oil-changes
- works by connecting the crocodile clips to the 12V car battery
- can remove up to 100% if the oil extraction probe with 6 mm diameter is inserted through the dipstick opening
