9910

Hose Pump

- Pump off quickly and safely - without electricity
 - the flexible hose pump is a pump for decanting water, diesel fuel and cleaning agents as well as other types of chemicals
 - no manual suction necessary, which means no danger of swallowing unpleasant smelling or tasting liquids.
 - 12 mm inner diameter, 17 mm outer diameter
 - 180 cm hose length
- Just follow these three easy steps:
1. Place the suction head in the liquid which should be a higher level and other end of the tube in a container below it.
 2. Move the suction head quickly up and down a few times
 3. The liquid will automatically begin to flow through the tube.
- not suitable for fuel and other flammable fluids
