

## SDS Bit-Holder | internal Hexagon 6.3 mm (1/4") | 80 mm

- aluminum made, quick release function
- suitable for bits with 6.3 mm / 1/4" drive
- length: 80 mm

## Bit Holder With Quick Coupler | 6.3 mm (1/4")

- extra slim
- suitable for 6.3 (1/4) bits, 6.3 mm (1/4") drive
- aluminium quick coupler sleeve

## Magnetic Holder for Bits and Sockets "2-IN-1"

6.3  1/4

- compatible with 6.3 mm (1/4") square drive and bits with 6.3 mm (1/4") hexagonal drive
- moveable sleeve for switching between bit and socket drive

## Automatic Bit-Holders | internal Hexagon 6.3 mm (1/4")

- shaft rotates in a plastic-coated metal sleeve, which allows to hold the bit holder when working

Item #	Description
1734	Automatic Bit-Holder   internal Hexagon 6.3 mm (1/4"), 80 mm
1735	Automatic Bit-Holder   internal Hexagon 6.3 mm (1/4"), 150 mm
1736	Automatic Bit-Holder   internal Hexagon 6.3 mm (1/4"), 300 mm
1724	Automatic Bit-Holder   internal Hexagon 6.3 mm (1/4"), 450 mm
1723	Automatic Bit-Holder   internal Hexagon 6.3 mm (1/4"), 600 mm
