

VDE Screwdriver Set | with Interchangeable Blades | 8 pcs.

Brand: BGS
 Article number: 35813
 EAN: 4048769075729

Description

- compact VDE tool set (not only) for electricians
- for work at various locations such as on construction sites, on solar installations and in control cabinets
- safe hold of the blades in the handle, automatic locking against unintentional pulling out
- interchangeable blades with reduced blade diameter up to a round blade
- thus also low-lying screw and spring elements can be reached and operated
- with 2 switchboard cabinet keys for operating switchboard control device locking systems
- all tools safely and orderly in a robust and handy plastic folding case
- perfectly suitable for mobile use
- ergonomic handle
- tested according to DIN EN/IEC 60900
- **scope of delivery:**
 - 1 VDE handle with interchangeable blade holder, with 2 component handle (red/yellow).
 - 3 interchangeable blades, Slot SL 1.0 x 5.5 mm, SL 0.8 x 4.0 mm, SL 0.5 x 3.0 mm, blade length 100 mm
 - 1 interchangeable blade, cross slot PH2, blade length 100 mm
 - 1 interchangeable blade, cross slot PH1, blade length 80 mm
 - 1 switchboard cabinet key, square, 8 mm
 - 1 switchboard cabinet key, triangular, 9 mm
